

New Talk

A clean starting point for a new Slidev presentation.

Agenda

- Topic 1
- Topic 2
- Topic 3

Code Sample

```
function greet(name: string): string {  
    return `Hello, ${name}`  
}
```

```
console.log(greet('Slidv'))  
console.log(greet('works'))  
console.log(greet('well'))
```
